THANK YOU

Parents, as we come to the end of our first quarter, I would like to thank each one of you for the support you have given me in helping your child be successful. The Mission and Goal of St. Francis of Assisi School is to create a loving and caring Christian community where teaching and learning support all children in becoming the best they can be in mind, body and spirit. Your continued support makes this an attainable goal.

I am excited about all of the wonderful things we will continue to explore during the remainder of this semester and this school year.
